

## Curricular Practical Training (CPT) Cooperative Agreement

International students are allowed to be employed in the United States under the Curricular Practical Training (CPT) as long as the employment is an integral part of the student's curriculum. This is an agreement among the employer, Washington University of Science and Technology, and the student to facilitate the authorization of CPT for the requested term as such:

1. The employer is responsible to provide appropriate work & training opportunities during the internship period.
2. The employer is responsible to provide regular feedback/evaluation of student's progress at work to the Washington University of Science and Technology.
3. The student is responsible to adhere to employer's Policies & Procedures while employed.
4. The student will play active part in the learning objectives of the CPT.
5. The faculty advisor assigned to review the CPT is responsible to provide guidance as necessary.
